DETAILED ACTION

This is in response to RCE filed on 1/13/05 in which claims 13-35 are pending.

The Applicant's arguments have been fully considered therefore this case is in condition for allowance. In addition the pending claims have been renumbered as 1-23 respectively.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior art of record fail to anticipated or render obvious the following recited features: a controller that is configured to communicate with the transmitting modem based on the communication procedure specified in ITU Recommendation V.8, when a CM signal is detected as while awaiting the response signal to the facsimile control signal, and to data communicate with the transmitting modem, when a signal used in data communication is detected as while awaiting the response signal to the facsimile control signal, the data communication not including voice communication and being in accordance with a defined communication procedure as recited in all the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
